

ALASKA OPEN 2018
MARCH 5-9, 2018
TUBAC GOLF RESORT AND SPA, TUBAC, ARIZONA

Dear Golfers,

It is time to start making your plans to attend the Alaska Open 2018 tournament in Tubac, Arizona. Tubac is located approximately 1 hour south of Tucson near the Mexican border. The resort was the site of many of the scenes from the iconic golf movie: Tin Cup.

The Alaska Open was held at the Tubac Golf Resort for the first time in 2017. Over 80 golfers participated. The resort hosts three 9 hole golf courses that we will play in different combinations during the course of the tournament. In addition to golf, the resort has a full service spa available for those who wish a little pampering. There are walking and biking trails, excellent bird watching, and great shopping and dining options available within a mile or two of the resort. The report from the non-golfing spouses in attendance was that this venue was the best they had been to for activities for all of them while the rest of us played golf. Tubac Resort and Spa has a variety of different room types, all of which are lovely ground floor rooms situated campus style on beautiful grounds. Visit their website at: www.tubacgolfresort.com for additional information. The resort is offering discount rates for Juneau golf club members making reservations by February 1, 2017. For those individuals adopting an RV lifestyle for the spring tournament, the De Anza RV resort is recommended.

Registration forms and additional tournament information is available at www.juneaugolf.com . Register by February 1, 2018 for the best pricing. Also available on the website is the option to pay via credit or debit card. When utilizing this option please remember to complete the fillable registration form, save it and email a copy of the form to juneaugolfclub@gmail.com or just email the list of golfers you would like to golf with.

For those individuals who would like to participate in the tournament on a more limited basis, i.e. golf in only the scramble or something less than the full tournament, contact us directly and we will make it happen.

We look forward to seeing you in Tubac!
